

INTERNATIONAL ANTARCTIC CENTRE

SEE IT.
LOVE IT.
SAVE IT.

WHAT CAN YOU DO HERE?

Learn what makes the windiest, driest and most significant mass of ice in the world so extraordinary – discover the International Antarctic Centre here in Ōtautahi Christchurch.

We love the Antarctic, which is exactly why we want to share with you its wonder and need for preservation. Our centre is an interactive experience where you can ride an amphibious snow vehicle, be immersed in another world by our 4D Theatre, brave -18°C windchill in our Storm Dome and so much more. Our hope is you leave inspired by our passionate advocates.
